Additional Fee Activities

~~**Course Damaged beyond repair High Ropes course (Additional Fee)** – (Available March–November and weather permitting) At over 20’ off the ground this course has 7 elements to challenge anyone, build confidence, and possibly help people get over a fear of heights. It takes about 2 to 2 $\frac{1}{2}$ hours to train and complete the course for 12–14 participants. This is run by two~~

~~trained course instructors. This is available to anyone that can pass the reach requirements, about 6 1/2' high reach required. (Ask for pricing.)~~ **New course coming summer 2014!!!**

Zip Line – 400' of soaring fun. **New summer 2013!!!**

Paintball (Additional Fee) – (Available March-November and weather permitting) We have 25 sets of rental equipment which includes: paintball marker (BT 4 and Custom 98s semi-automatic marker), CO2 tank, mask, neck guard, extra pods, and pod pack. FPO Field Paint Only, you must purchase our field paint.

We have three paintball courses:

- Ravine Woods ball Course is a course that is separated in half by a ravine which makes it a unique playing area. Can your team capture the opposing team's flag across the ravine?
- Our other Woodsball Course is about 7 acres of heavy woods with many trails in which you can ambush your opponents while hiding in your camouflage outfit (camo outfit not supplied).
- Last but not least is most people's first choice our Speedball Course. It's made in the middle of our old settlement camp area, this course is made up of buildings and many varieties of bunkers in an open area. This course also has a safety netted observation building in the middle of the course, so bystanders and dead men can see the action up close. (Most used course.)

(Contact the camp office for pricing and availability for Paintball and Zip Line.)
