1 Thessalonians 5:17-18

¹⁷ pray continually, ¹⁸ give thanks in all circumstances; for this is God's will for you in Christ Jesus.

November 2017

Dear Friends,

Those of you that are coffee drinkers know that in order for coffee to be drinkable it has to be changed. It gets ground up to set the good flavor free. As we prepare for each new year, we know that change is necessary and a beautiful thing. Watching campers grow in Christ and change to be more like Him is a beautiful thing, but sometimes we need to be ground up a little first. As you know, even the facilities need to be changed and can be another beautiful thing.

We have been raising funds through the A.L.I.V.E. program for a new High Ropes Course, and we are continuing to do so. The new course will be added to our current zip line in our Wilderness Field. We estimated the cost to be \$30,000. We have raised \$24,226.69 so far. We know that for change to happen in our lives, we need to be challenged (ground up). The ropes course can be a tool to challenge us. It will challenge us in ways we may not have experienced before, and life lessons are taught through that. A High Ropes Course is fun and challenging at the same time. We are excited to be able to have this ropes course up for the campers to use and grow in the coming years.

Thank you all for your continued support of this project and please be praying as well as we continue to plan and soon build the new High Ropes Course!

In Him,
